Revelation: 'Aha moments' that bring change!

I can't believe February is already here. I've never been a huge fan of the cold weather, but I have to say that the winter sunsets, the beauty of the snow, and the natural period of rest that goes with this season have really changed my perspective this winter. It's beautiful.

I think that perspective shifts are important moments in our lives, and have heard the term "an aha experience" when something all of a sudden makes sense or someone has a new revelation. It's like something in our minds and hearts shift to a new understanding of what is often an old truth. **It usually comes with a change in our priorities, attitudes about certain aspects of life, or what we spend our time doing.** I believe that is the goal as we study the Book of Revelation on Sunday mornings at Charity. I think the Lord wants us to have a new understanding, a new revelation of who He is and what He is doing in the world and our lives.

I keep going back to the words of Revelation 1:3 that state, "Blessed is the one who reads aloud the words of this prophecy, and blessed are those who hear it and take to heart what is written in it, because the time is near."

I'm intrigued by this because many of us want to experience the "Blessed Life" described here. Especially if the "Blessed Life" is the happy life or the life filled with abundance and significance. So why would this book that is wholly composed of prophecy have the ability to bless

those who read aloud the words of this prophecy, hear it, and take to heart what is written in it? What is it about Revelation that is so powerful?

I think asking these types of questions and coming to the correct answer is extremely important, and the process we go through to come to the correct answer may sometimes be even more important than the answer itself. When I've read the book of Revelation in the past, I know that there have been descriptions and prophecies that have brought dismay, confusion, and fear, especially about the future. Is that God's goal? I don't think so. And the reason I know this to be true is that I see a different portrayal of Jesus Christ's character and His heart for us. In Revelation 3:20, Jesus says, "Here I am. I stand at the door and knock. If anyone hears my voice and opens the door, I will come in and eat with that person, and they with me."

What an amazing invitation. Have you ever noticed that there is something about eating with someone that creates a sense of intimacy or knowing them? That must be why Thanksgiving, Christmas, or even the Superbowl seem

Charity = Love = Hope

The verses in chapter 13 aren't just for couples getting married; they are for the Charity family too. The perfect example of biblical love is Jesus, but with God's help, we can also exhibit this love to one another. Also, the biblical love Paul describes in his letter "always hopes." God has plans for Charity.

"For I know the plans I have for you,' declares the Lord, 'plans to prosper you And not to harm you, plans to give you hope and a future.' "Jeremiah 29:11

There is a banner that hangs on the wall in Charity's office. It shows a single tree (unity in Christ), with many leaves (different giftings). Charity's mission statement says, "...all are welcomed into faith and fellowship," each with our

various gifts working together to serve Christ. All are equally important in our service, loving Christ first, then sharing His love to others.

A verse I shared in last month's newsletter was Isaiah 43:19, "See, I am doing a new thing! Now it springs up; do you not perceive it? I am making a way in the wilderness and streams in the wasteland." Let us all be looking forward, with anticipation, to the plans God has for Charity. Let us do that unified in Christ, in love, with patience, and with hope for that "new thing!"

What's in a name? I sometimes pause when I hear different church names and wonder about their significance for that parish. My confirmation years began in Maddock, where we attended North Viking Lutheran Church in town. Viking Lutheran Church was located in South Viking Township, a few miles south of town. Apparently, there are a few Norski's in the area.

"Love is patient, love is kind. It does not envy, it does not boast, it is not proud. It does not dishonor others, it is not self-seeking, it is not easily angered, it keeps no record of wrongs. Love does not delight in evil but rejoices with the truth. It always protects, always trusts, always hopes, always perseveres." 1 Corinthians 13:4-7

Did you know that Charity means love? When you read 1 Corinthians 13, the "Love Chapter," using the King James Version, in place of love the word charity is used. That has always been significant to me. This chapter describes biblical love, and it's worth taking note of the numerous characteristics of love. Growing up, my mom would remind me that patience is a virtue. I think it went in one ear and right out the other, probably because I didn't know what she was talking about. But that is one of the things love is – it is patient.

Revelation: 'Aha moments'

(CONTINUED FROM PAGE 1)

to center around "eating" together. It's an opportunity for us to know someone else differently. We interact with them on a different level. And Jesus wants that more intimate interaction with us. But He isn't going to force us. Instead He stands at the door and knocks, and if we are willing to open the door, He will come in and "eat" with us. That speaks to the source of the "blessed life," or a life of significance and purpose. It's in our interaction and communion with Christ.

I highlighted a statement earlier because I believe the practical application of understanding this is so critical. The statement is that "Aha Moments" often come with a change in our priorities, attitudes about certain aspects of life, or what we spend our time doing.

When we consider our priorities, attitudes, or what we spend our time doing, are we living the "blessed life" in that deep intimacy with Jesus? I have to personally confess that I often get busy or distracted and instead spend my time on less important things. And I know

that needs to change. I think many of us would agree that we often fail in this area.

But when we experience that "Aha" realization that ultimately our interaction with Jesus is what is truly important and gives us life, it changes our priorities, attitudes, and what we spend our time doing. Suddenly, we love "eating" with him, spending time together, resting with and in him, talking to him, worshiping him, and fellowshiping with him. It's a change in our perspectives and a shift in our priorities.

My prayer is that each one of us would experience "Aha" moments with Jesus regularly as we continually have interaction and intimacy with him. I pray that we would constantly "Eat" with him and open up the door of every part of our lives to Jesus. And as we trust in him, we would experience the "blessing" promised and an abundance of the joy, peace, love, faithfulness, and goodness that the Lord gives. May you experience "Aha moments" as you open the door and commune with Jesus.

Fluharty elected president of VC

This last week God has been showing up in my life. I ended the annual meeting with the following verses: 2 Corinthians 5:17-18, "Therefore, if anyone is in Christ, he is a new creation; the old has gone, the new has come! All this is from God, who reconciled us to himself through Christ and gave us the ministry of reconciliation". I have seen this verse multiple times in different areas this past week. God has put onto my heart to step back and refocus my time on him and my family.

The vision council held its January meeting on the 18th. With this being the first meeting of the new year, elections were held. Your Vision Council officers for this year are:

- President – Mike Fluharty
- Vice President – Craig Lohstreter
- Secretary – John Seedorf

Other members of the vision council

are: Deb Uline, Carlo Marrufo, Becky Dohrmann, Pam Miller.

We have also heard there is some confusion about what an Intentional Interim Pastor will do. An intentional interim pastor has served as a called and settled pastor and knows the hard work that needs to be done on a day-to-day basis in a congregation. An Intentional Interim Pastor is someone God has called to the specialized ministry to help a congregation through an interim period that could be six months, up to two years long. They have specialized training in dealing with the emotions and grief of a pastor leaving, guiding the congregation through a process to discern to where and what God is calling the congregation at this point. (Give guidance to the call committee and church council throughout the search process). They will be helping the congregation to look at their history – the joys and the challenges that have brought them to this point and time. Every congregation

John Seedorf
VC secretary

needs to know where they have come from to help guide them to where they are going. Long story short, they will provide some day-to-day relief to Pastor Sam and Doug while leading and guiding the staff, and

congregation, providing input where needed.

I want to thank you for the past year that I have served this congregation as Vision Council President. It wasn't the easiest year, but we were able to work our way through it with God's guidance.

If you have any questions or concerns, please talk to anyone on the vision council or e-mail:

Call Committee update

Moving forward with the call

Greetings from the Call Committee. We continue to move forward with preparations for calling a senior pastor. A top priority now is to support the Vision Council in selecting an intentional interim pastor.

Pastor Sam expressed interest in applying for the position of senior pastor when the call is announced.

In the past six months we have completed training on the call process with LCMC, completed the congregation profile, interviewed staff members, completed the call packet, including information about the Bismarck/Mandan area, helped establish a budget and worked with the Vision Council on hiring the intentional interim pastor.

The intentional interim pastor will guide us through changes that will keep our mission intact, help us manage

transitions, identify and help remove obstacles that could keep us from achieving our God-given potential, and prepare us for success with a new pastoral team.

Our meeting this month is scheduled for Feb. 15. We continue to be in prayer as a group and individually as we seek God's direction in this call process.

Please remain prayerful for the work we are doing and continue to reach out to us with questions, either individually or through our email at callcommittee@charitylutheran.org. We look forward to hearing from you and thank those who have sent us emails and visited with us personally.

Committee members - Beth Allen, Adam Berglund, Andrea Collin, Melissa Hill, Laura Kourajian and Scott Carter.

February children and students ministries

Preschool - It's A Party!

Jesus Loves Everyone

Did you know there are over 100 million love songs? Why so much interest in love? Well, it could be because God is love. And, God made every person in His image. We were literally made by love, to love and to be loved!

That is why Jesus loves everyone, and why He taught us how we can love everyone, too. Jesus gave us so many examples of loving everyone while He was on earth, and we get to share them with our preschoolers this month.

Jesus loves everyone, and we can love everyone like Jesus—that is what we want preschoolers to know. And, there's no better time in our world for children to hear this powerful truth. So, grab a party hat and a handful of confetti and let's get the party started!

We'll learn more about Jesus' love through these powerful Bible stories:

- Banquet Parable (**Matthew 22:8-10**)
- Woman at the Well (**John 4:1-30**)
- Zacchaeus (**Luke 19:1-10**)
- Do Everything In Love (**1 Corinthians 16:14**)

Monthly Memory Verse

"Do everything in love." **1 Corinthians 16:4 NIV**

Elementary - On My Block: Care For The People In Your Neighborhood

Compassion

God's compassion for us led to the greatest act of love the world had ever seen. God sent Jesus to rescue us. We reflect God's compassion when we care about others and work to make things right.

We'll learn what showing compassion looks like as we explore these stories:

- Jesus' Mission Statement (Luke 4:14-24, 28-30)
- Jesus Talks With a Woman From Samaria (John 4:1-30, 39-42)
- Jesus Feeds the Five Thousand (John 6:1-13)
- Jesus Heals Bartimaeus (Mark 10:46-52)

Monthly Memory Verse

"The Lord has shown you what is good. He has told you what He requires of you. You must act with justice. You must show love to show mercy. And you must be humble as you live in the sight of your God." **Micah 6:8 NIRV**

February 9: Real talk . . . you can choose to be single.

Middle School - Who Is Jesus?

A series about Easter.

February 16: Because of Jesus, you can be connected with God.

High School - The One

Where did the idea of “finding the one” come from in the first place? If having that idea looming over you while dating in high school seems like a lot of pressure...that’s because it is! So, what if dating in high school wasn’t that high-stakes? Instead, what if dating in high school could be more about who you’re becoming, and less about finding your “one?” As we continue this 4-week series—for those who are currently dating and those who aren’t—we focus on how becoming the one is better than finding the one, fighting unhealthy obsession, dealing with breakups, and challenge students to pick their perspective when it comes to dating and disappointment.

February 2: A break-up doesn’t have to break you.

February 9: You can choose to be single.

Series Memory Verse

“The thief’s purpose is to steal and kill and destroy. My purpose is to give them a rich and satisfying life.” **John 10:10 NLT**

High School - Prism

What is the Gospel? And is there a chance we’ve only looked at all it has to offer from only one angle? The word “Gospel” means “good news,” but hearing something is good and knowing WHY it’s good are two very different things. In this series, as we take a closer look at the life, death, and resurrection of Jesus, we’ll find that the Good News of Easter may be bigger, bolder, and better than we ever imagined, and in doing that, discover a new way of engaging Jesus and five things He doesn’t want any of us to forget.

February 16: Because of Jesus, you can be connected with God.

February 23: Because of Jesus, you have the power to make wrong things right,

March 2: Because of Jesus, you can know how to live with purpose

March 9: DODGEBALL NIGHT

March 16: Because of Jesus, you are never alone & your past doesn’t hold you back.

Series Memory Verse

“I have told you all this so that you may have peace in me. Here on earth you will have many trials and sorrows. But take heart, because I have overcome the world. **John 16:33 NLT**

Update from Bob and Patti Nordvall

Proverbs 3:5-6

“Trust in the Lord with all your heart; lean not on your own understanding.

Seek His will in all you do, and He will show you which path to take.”

Dear Friends in Christ, grace and peace.

We hope your 2022 is off to a good start and in sync with God’s plan for your lives! We have had a significant change in our own lives, and we want to bring you up to date, with thanksgiving for all the years of support we have cherished from Charity. When big changes come, we need to know we are on the right path and have heard the heart of Jesus. Proverbs 3 brings a strong exhortation for us, especially if we desire to be within His will!

After 15 years with the Spiritual Orphans Network (formerly East European Missions Network) Bob “retired” effective Dec. 31, 2021. On an independent basis, we will be continuing with the Tartu Academy of Theology in Estonia,

which Charity has been supporting for a long time. Our friendship with Pastor Siimon Haamer and his father, Pastor Eenok, has been very close and strong. Hopefully, we will once again be able to travel over to Estonia to join in ministry with pastors there if CoVid settles down. Exciting things continue to happen as ministry there expands, even in the pandemic! Especially exciting is the new community Bible School, which is in its 2nd year and open to all wanting to know more about Jesus and the Bible. New people are being welcomed by faith into Christ’s Kingdom, and some of those have entered into important theological training for ministries in the Estonian Church. Thanks so much for your continued partnership and support for the Academy!

At the same time, Bob has begun a new partnership in ministry with his long-time friend, Pastor Dale Wolf, at the Lighthouse Church in Fargo (LHC). LHC has a strong ministry in the recovery community, so there are a number of

addiction support groups (AA, NA, SA, AlAnon, RA and Celebrate Recovery) and extensive connections with community services related to medical/prison/halfway houses.

A large staff consists of peer support, care counsellors and servants trained in addiction care.

Once a month Bob will be over there for a long weekend (or most of a week) helping out with some teaching, preaching and pastoral care. He just began a monthly seminar for people wanting to Go Deeper with Christ at Heartview in Bismarck. It was a long, patient and prayerful process over a couple of years, wondering what God may want to do with these remaining years, using the gifts we have to offer. We are excited and thankful for God’s grace, inspiration and leading!

Blessings! Your prayers of support would be so welcomed.
